Very complete equipped Monte Carlo 5S. The 5S series distinguishes itself by its tough and sporty looks and a hardtop with an outdoor lounge on the roof. The open cockpit is entered from the hydraulically movable bathing platform. The cockpit has an integrated bench with matching cushions and a fixed table. On the SB side in the cockpit is the access to the extra cabin (crew cabin) in the aft ship, this cabin can also be used as extra storage space. Via the open cockpit you can easily step onto the side decks with good grip all around for a safe walk on deck. On the foredeck there are two integrated foldable sun beds. Via an integrated staircase from the cockpit you step to the outdoor lounge on the roof. This outdoor lounge has a in height-adjustable table with which a large sun bed can be created. The saloon and the cockpit can be connected by three large glass foldable doors. The galley is located at the entrance to the saloon. By opening the saloon doors, the galley is fully included with the open cockpit. The salon combined with the steering position is located at deck level. The large windows all around (tinted) provide good visibility and a lot of light. You can bring the outdoor feeling inside by opening the large electrically operated sliding roof and two side windows. Below deck there are three cabins for a total of six people. The 2-person owner's cabin is located amidships across the entire width of the ship. This cabin has its own bathroom en-suite.
