Valk Continental 1900 – Luxury, space and comfort on board – from first owner

On board this Valk Continental 1900, you will experience an exceptional sense of space and connection to the outdoors. The spacious wheelhouse forms the heart of the yacht, with the helm station forward and a comfortable dinette directly behind it. Thanks to the panoramic view, this is an ideal place while cruising as well as when staying on board. Four-part stainless steel doors connect the aft deck seamlessly to the wheelhouse. The sliding sunroof and two side sliding windows provide an open-air feeling, even when you are inside.

The wheelhouse is fully equipped, including autopilot, radar, chartplotter, camera system, electric searchlight, bow and stern thrusters with remote control, interval wipers, VHF radio, and other accessories. Everything is in place for both relaxed and safe cruising, regardless of the sailing area. From the wheelhouse, a small level change leads to the spacious salon, finished in teak wood with cream-white leather upholstery and generous natural light from the large windows. Just a few steps down from the salon, you'll find the fully equipped galley, featuring a Corian countertop, ceramic cooktop, extractor hood, Bosch oven, combination microwave, and double refrigerator. Everything is in place for full onboard living and cooking.

The owner's cabin aft is particularly spacious and spans the full beam of the yacht. This luxurious master cabin offers a freestanding double bed, en-suite bathroom, generous closet space, and an elegant finish.

Outdoor comfort is also fully realized. The yacht features teak decks all around and a large bathing platform with integrated gangway and lighting. A gentle staircase from the aft deck makes access to the bathing platform especially comfortable.

This Valk Continental 1900 comes from the first owner and is in excellent, well-maintained condition. For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
