ELBURG YACHTING[®]

international yachtbrokers

This robust and sturdy Bronsveen Spitsgatkotter 14.98 was built by Bronsveen Jachtbouw Nederland. A characterful ship with wide gangways, a large foredeck and a spacious, round cockpit. The ship is suitable for those looking for living space and comfort on board. Thanks to its layout and finish, this cutter is particularly suitable for permanent residence or a long stay on board.

The yacht is a young trawler, light and modernly furnished and equipped with sleek interior fittings. The living areas are spacious and offer plenty of daylight, even in the forecabin thanks to the portholes. The headroom on board is approximately 2.05 metres.

The layout is as follows: wheelhouse with saloon, galley and dinette in the stern, and three cabins and a spacious bathroom in the bow. This practical and spacious layout makes the yacht ideal as a floating home.

The underwater hull is constructed of 8 mm steel with a 10 mm keel sole. Above the waterline, the hull is constructed of 5 mm steel. The paint system needs attention.

The yacht is currently CE-B classified but can be CE-A certified with the addition of 2 tonnes of ballast. The clearance height is approximately 3.75 metres.

The cutter has a large hydraulic tank and is prepared for the connection of a crane on the foredeck or a stern thruster. The high bulwark with sturdy guardrail ensures safety on deck.

The Bronsveen Spiegelkotter 14.98 - Orion One features a new Victron Quattro II inverter, new refrigerator and washing machine, a Victron Energy monitor, among other things. It is a yacht with an authentic look and comfort, built for those looking for independence, space and quality on the water. For questions or a viewing, you are welcome at Elburg Yachting 7 days a week.
