international yachtbrokers

Beautiful, exclusive Puffin RAW 9-metre cabin sloop built by SRF Scheepsbouw in Harlingen and designed by Olivier van Meer Design (Puffin). This unique sloop is equipped with an electrically powered Mitek propulsion system 15KW / 48V with a cruising time of approximately 8 hours. On board, there is a spacious seating area with a washbasin, cooling drawer, induction hob and a beautiful cabin with an electric toilet and sleeping accommodation for two people in the front. The Puffin 9.0 has a straight bow that slopes back a few degrees, with the tumblehome hull immediately catching your eye. At deck level, the hull slopes sharply inwards at the rear, making the stern of a Puffin appear even fuller. Elegant, stable, full lines and a clear sheer. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
